Carl,

I am resending part 2 of 3. This is an "optimized" version with a slightly smaller file size. Please confirm your receipt of this email.

Thanks,
Margo

Hi Carl,

No problem at all. A PDF copy of the PCB records has been generated. I divided the PDF into three, separate files that I am hoping will be small enough to send via email. The first part is attached to this email, and I will send two subsequent emails. Please let me know if there are any issues.

Thanks,
Margo

Hi Carl,

The PCB sales records are in hardcopy form and fill two Redweld folders. EPA's records management team is in the process of converting the records into electronic files. I am expecting to receive those electronic files in the next few days, and will certainly forward them along to you as soon as I receive them.

Regards,

Margo

Hi Margo: I spoke with Michael Mintzer on Friday and he mentioned he had provided the PCB Sales Records to you. Is there any way you could email those to me this week? I forgot to ask Michael how voluminous they are and in what format. Thanks for your help. --Carl
